Introduction

This meet is inclusive for disability swimmers. This competition is held under Under Swim England Laws and Regulations and Swim England Technical Rules of Racing

Swimming/Spectator Area

For the purpose of this meet, Team Managers will be responsible for the conduct of their swimmers. It is therefore expected that Team Managers will remain in the seating areas and/or with their swimmers at all times.

The following requirements should be brought to the attention of competitors, team staff and spectators. Swimmers seating and spectator areas are separated by dividing ropes although situated in the same block. Entry to the swimmers' area is through the changing village and onto poolside. Entry to the spectators' seating area is from the first floor.

UNDER NO CIRCUMSTANCES (except when using as an evacuation route) **SHOULD SWIMMERS OR SPECTATORS CROSS THESE DIVIDING ROPES. Additionally, neither spectators nor swimmers are allowed to sit on the access steps to these areas. This is a Health & Safety requirement of the Leisure Centre that we are obliged to enforce.**

The Promoters of this event will adhere strictly to the Health and Safety Laws 203-206. It should be noted that no-one will be permitted into the changing village, poolside or swimming/spectator seating area until the Promoters and/or Meet Referee are satisfied that these Health and Safety Rules have been met in full.

Data Protection

All data relating to the entry and results processing will be held on computer using Hy-Tek Meet Manager system software. Results of the meet will be sent to British Swimming within 5 working days for the purposes of ranking.

Swimmer entries will be managed on a computer. By submitting entries, consent is thereby given, as required by the Data Protection Act 2018, to the holding of personal information on computer. Personal data will be available for inspection during the meet upon request and will be stored and destroyed in accordance with Swim England guidelines.

Photography

All attendees, including swimmers, spectators, coaches, parents, helpers and officials are required to follow the guidelines and are requested not to obstruct swimmers, coaches or officials on poolside.

The competition pool is an 8-lane deck level 25m pool with a water depth of 2m throughout. Anti-turbulence lane ropes (including at the sides) will be used and turning flags will be placed at both ends of the pool. GL1 is a certified pool.

Please note there is no warm down pool at this meet.
